INDEPENDENT AUDITOR'S REPORT

To
The Members of
HANS ISPAT LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **HANS ISPAT LIMITED** ('the company'), which comprises the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including other Comprehensive Income), the Cash flow statement and the statement of changes in equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as 'Ind AS financial statements') .

In our opinion and to the best of our information and according to the explanations given to us read with the notes to accounts, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its Loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

We draw attention to Note no. 32(d) of the accompanying financial statements, in respect of non provision of interest on Non Performing accounts of Bank of Rs. 6,50,53,166/- (aggregating to Rs. 35,29,59,331/- as on 31st March, 2021). The exact amount of the said non provision of interest are not determined and accounted for by the company. On account of the said non provision, Net Loss for the current year has been understated by Rs. 6,50,53,166/- and total retained earnings (Loss) and banker's liabilities are under stated by Rs. 35,29,59,331/-.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Matter of Emphasis

1. We draw attention on Note no. 29(a) relating to third party confirmation and its classification.
2. We draw attention on Note No. 29(c) of assignment of debts of State Bank of India to invent assets securitization & Reconstruction.

Key Audit Matter

Key audit matters are those matters that in our professional judgment were of most significance in our audit of the financial information of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information other than on Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind As financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no

realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls regarding financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represents the underlying transactions and events in the manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefit of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub - section (11) of Section 143 of the Act, We give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the said order to the extent applicable to the Company for the year under consideration.

As required by Section 143(3) of the Act, We report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion proper books of account as required by the law have been kept by the company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the companies (Accounts) Rule, 2015, as amended;
- (e) On the basis of the written representation received from the directors as on 31st March, 2021 and taken on the records by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as director in terms of section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) In our opinion and according to information and explanations given to us, no remuneration is paid by the Company to its directors during the current year.

With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- (i) The company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note no. 24.
- (ii) There are no long term contracts including derivative contracts and accordingly no provision is required to be made for any loss from the same; and
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANEXRURE A TO INDEPENDENT AUDITOR'S REPORT

Annexure referred to in Paragraph 1 of our report of even date to the members of **HANS ISPAT LIMITED** for the year ended on 31st March, 2021.

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situations, of fixed assets.

(b) The company has a regular programme of physical verification of its fixed assets, by which the fixed assets are verified at regular intervals. In accordance with this programme the fixed assets were verified during the year and as informed to us no material discrepancies were noticed on such verification. In our opinion this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets.

(c) The title of immovable properties, as disclosed in the Financial Statement under the head of Property, plant & equipment, is held in the name of the company.
- (ii) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with in the books of accounts.
- (iii) As informed to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ('the Act') and accordingly clause (iii) of paragraph 3 of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans and investments made, and guarantees and securities provided by it during the year.
- (v) The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Companies Act, 2013 and the rules framed there under to the extent notified and accordingly clause (v) of paragraph 3 of the Order are not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the company pursuant to the rules made by the central government for the maintenance of cost records under section 148(1) of the companies Act, 2013, related to the manufacture of the MS billets and Thermo Mechanical Treatment (TMT Bar), and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not however made a detailed examination of the same.
- (vii) (a) According to the information and explanation given to us and based on the records of the Company examined by us, the Company is generally regular in depositing undisputed statutory dues including provident fund, income tax, Goods and Service Tax, Cess and any other material statutory dues as applicable, with the appropriate authorities in India;

Further no undisputed amounts payable in respect of above dues were in arrears as at 31st March 2021 for a period of more than six months from the date they became payable.

(b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Custom Duty, Goods and Service Tax, Cess and other material statutory dues, as applicable.

- (viii) According to the records of the company examined by us and the information and explanation given to us, the Company has defaulted in repayment of loans or borrowings to financial institution and bank as at the balance sheet date. Details of which are as below:

Name of the Lender	Nature of Facility	Amount of Default as on 31.03.2021 (Amount in Rs.)
Bank of Baroda	Cash Credit	6,50,40,207
	Working Capital Term loan	17,23,00,000
	Funded Term Loan	1,39,00,000
	Term Loan	1,80,00,000
	Total	26,92,40,207

Note: The above table does not include the interest which bank has not provided after the account has been classified as Non-performing assets.

- (ix) In our opinion, and according to the information and explanation given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments) or term loans and accordingly clause (ix) of paragraph 3 of the Order are not applicable to the company.
- (x) According to the information and explanation given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year.
- (xi) The Company has not paid or provided for managerial remuneration in the books of accounts during the year under section 197 of the Companies Act, 2013 and accordingly clause (xi) of paragraph 3 of the Order are not applicable to the company.
- (xii) As the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it, clause (xii) of paragraph 3 of the Order are not applicable to the company.
- (xiii) In our opinion and according to the information and explanation given to us, the company is in compliance with sections 177 and 188 of the Act, wherever applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (xiv) As informed to us and according to the information and explanation given to us, the Company has made no preferential allotment of shares during the year under review and therefore clause (xiv) of paragraph 3 of the Order are not applicable to the company.
- (xv) According to the information and explanations given to us, the Company has not entered in any non-cash transactions with directors or persons connected with them as referred to in section 192 of the Companies Act, 2013 and therefore clause (xv) of paragraph 3 of the Order are not applicable to the company.

(xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934. Accordingly, clause (xvi) of paragraph 3 of the Order is not applicable to the company.

ANEXRURE B TO INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) of Independent Auditor's report of even date to the members of **HANS ISPAT LIMITED** on the Ind AS Financial Statements for the year ended March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of the **HANS ISPAT LIMITED** ('the Company') as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting are established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

Internal financial control over financial reporting is a process designed by the Company to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Further, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate owing to changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

1. CORPORATE INFORMATION:

Hans Ispat Limited (the "Company") is a public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is a subsidiary of Electrotherm (India) Limited. The registered office of the Company is located at A-1, Skylark Apartment, Satellite Road, Satellite, Ahmedabad. The Company is engaged in the manufacturing of TMT Bars.

The financial statements were authorized for issue in accordance with a resolution passed in Board Meeting held on 06th August, 2021.

2. BASIS OF PREPARATION:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which have been measured at fair value. Refer accounting policy regarding financial instruments.

The financial statements are presented in Indian Rupees, except where otherwise indicated.

2.1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. CURRENT VERSUS NON-CURRENT CLASSIFICATION:

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

The operating cycle is the time between acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve month as its operating cycle.

B. FOREIGN CURRENCIES:

The Company's financial statements are presented in Indian Rupees, which is also the company's functional currency.

Transactions and Balances

Transactions in foreign currencies are initially recorded in the Company's functional currency at the exchange rates prevailing on the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are restated in the functional currency at the exchange rates prevailing on the reporting date of financial statements.

Exchange differences arising on settlement of such transactions and on translation of monetary items are recognized in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates on the dates of the initial transactions.

C. FAIR VALUE MEASUREMENT:

The Company measures financial instruments, such as, derivatives at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimising the use of unobservable inputs

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative financial instruments and unquoted financial assets measured at fair value, and for non-recurring fair value measurement.

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets, and significant liabilities, such as contingent consideration. Involvement of external valuers is decided upon annually by the Management after discussion with and approval by the Company's Audit Committee. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

Disclosures for valuation methods, significant accounting judgments, estimates and assumptions, Quantitative disclosures of fair value measurement hierarchy, Financial instruments (including those carried at amortized cost) are stated by way of note at the appropriate place of the accounts.

D. REVENUE FROM CONTRACT WITH CUSTOMER:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

Based on the Educational Material on Ind AS 18 issued by the ICAI, the company has assumed that recovery of excise duty flows to the company on its own account. This is for the reason that it is a liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not.

However, Goods and Service tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue. The specific recognition criteria described below must also be met before revenue is recognized.

Sale of Goods:

Revenue is recognized when a promise in a customer contract (performance obligation) has been satisfied by transferring control over the promised goods to the customer. Control over a promised good refers to the ability to direct the use of, and obtain substantially all of the remaining benefits from, those goods. Control is usually transferred upon shipment, delivery to, upon receipt of goods by the customer, in accordance with the delivery and acceptance terms agreed with the customers. The amount of revenue to be recognised (transaction price) is based on the consideration expected to be received in exchange for goods, excluding amounts collected on behalf of third parties such as sales tax or other taxes directly linked to sales. If a contract contains more than one performance obligation, the transaction price is allocated to each performance obligation based on their relative stand-alone selling prices. Revenue from product sales are recorded net of allowances for estimated rebates, cash discounts and estimates of product returns, all of which are established at the time of sale. The consideration received by the Company in exchange for its goods may be fixed or variable. Variable consideration is only recognised when it is considered highly probable that a significant revenue reversal will not occur once the underlying uncertainty related to variable consideration is subsequently resolved.

Sales Return Allowances:

The Company accounts for sales return by recording an allowance for sales return concurrent with the recognition of revenue at the time of a product sale. The allowance is based on Company's estimate of expected sales returns. The estimate

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

of sales return is determined primarily by the Company's historical experience in the markets in which the Company operates.

Dividends:

Dividend is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Interest income and expense:

Interest income or expense is recognised using the effective interest method.

Contract balance

Contract assets:

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due a contract asset is recognised for the earned consideration that is conditional.

Trade receivables:

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e. only the passage of time is required before payment of the consideration is due).

Contract liabilities:

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract;

Refund liabilities:

A refund liability is the obligation to refund some or all of the consideration received (or receivable) from the customer and is measured at the amount the Company ultimately expects it will have to return to the customer. The Company updates its estimates of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

E. TAXES

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (i.e. in other comprehensive income). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable Profit or Loss.
- In respect of taxable temporary differences associated with investments in subsidiaries when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised except

- When the deferred tax asset arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and at the time of the transaction affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries deferred tax assets are recognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled; based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

F. PROPERTY, PLANT AND EQUIPMENT (PPE)

(i) PROPERTY, PLANT AND EQUIPMENT (PPE)

PPE and Capital work in progress are stated at cost net of accumulated depreciation and accumulated impairment losses if any. The cost comprises purchase price and borrowing costs if capitalization criteria are met, the cost of replacing part of the PPE and directly attributable cost of bringing the asset to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of PPE are required to be replaced at intervals, the Company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major overhauling is performed, its cost is recognized in the carrying amount of the PPE as a replacement if the recognition criteria are satisfied. Any trade discount and rebates are deducted in arriving at the purchase price

Subsequent expenditure related to an item of PPE is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing PPE, including day-to-day repair and maintenance expenditure and cost of parts replaced, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

CWIP comprises of cost of PPE that are yet not installed and not ready for their intended use at the Balance Sheet date.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if applicable.

The Company calculates depreciation on items of property, plant and equipment on a straight-line basis using the rates arrived at based on the useful lives defined under Schedule II of the Companies Act, 2013.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

(ii) INTANGIBLE ASSETS

Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost, less any accumulated amortization and accumulated impairment losses if any.

Intangible assets in the form of software's are amortized on straight-line basis over six years. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method as appropriate and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the Statement of Profit and Loss when the asset is derecognized.

G. IMPAIRMENT OF NON-FINANCIAL ASSETS:

The Company assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

H. BORROWING COSTS:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

I. FINANCIAL INSTRUMENTS:

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus in the case of financial assets not recorded at fair value through Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Debt instruments - measured at amortized cost
- Debt instruments, derivatives and equity instruments - measured at fair value through Profit or Loss (FVTPL)
- Equity instruments-measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss. This category generally applies to trade, loans and other receivables.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization at amortized cost or as FVTOCI, is classified as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the other comprehensive income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

b) Financial guarantee contracts which are not measured at FVTPL.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables. Under the simplified approach the Company does not track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive, discounted at the original EIR. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' in the Statement of Profit and Loss.

The Balance Sheet presentation for various financial instruments is described below:

Financial assets measured at amortized cost:

ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through Statement of Profit and Loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including cash credit facilities from banks.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities valued at fair value through Statement of Profit and Loss.

Financial liabilities at fair value through Profit or Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition at fair value through Profit or Loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through statement of Profit and Loss are designated as such at the initial date of recognition and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the Statement of Profit and Loss. The Company has not designated any financial liability at FVTPL.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of profit and loss when the liabilities are derecognised as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

This category generally applies to borrowings.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value through Statement of Profit and Loss (FVTPL), adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realize the assets and settle the liabilities simultaneously.

J. INVENTORIES:

Inventories are valued at the lower of cost and net realizable value after providing for obsolescence and other losses, wherever considered necessary. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Scrap is valued at net realizable value. Cost is determined on FIFO (First-in-First Out) method.

Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity, incurred in bringing them in their respective present location and condition.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion and the estimated costs necessary to make the sale.

K. RETIREMENT AND OTHER EMPLOYEE BENEFITS:

Retirement benefits in the form of provident fund and superannuation fund are defined contribution plans. The Company has no obligation, other than the contributions payable to provident fund and superannuation fund. The Company recognizes contribution payable to these funds as an expense, when an employee renders the related service.

In respect of gratuity, liability, the Company operates defined benefit plan wherein no separate contributions are made to a separately administered fund. The costs of providing benefits under this plan are determined on the basis of actuarial valuation at each reporting date being carried out using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to Statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability, or asset. The Company recognizes the following changes in the net defined benefit obligation as an expense in the Statement of Profit and Loss:

- Service costs comprising current service costs; and
- Net interest expense or income

The liability in respect of unused leave entitlement of the employees as at the reporting date is determined on the basis of an independent actuarial valuation carried out and the liability is recognized in the Statement of Profit and Loss. Actuarial gain and loss is recognized in full in the period in which they occur in the Statement of Profit and Loss.

L. PROVISIONS:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

M. EARNING PER SHARE:

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

N. CASH AND CASH EQUIVALENT:

Cash and cash equivalents in the Balance Sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of charges in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

O. CASH DIVIDEND:

The Company recognizes a liability to make cash or non-cash distributions to equity holders of the Company when the distribution is authorized and the distribution are no longer at the discretion of the Company. As per the Companies Act, 2013, a distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

P. CONTINGENT LIABILITIES:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

2.2 SIGNIFICANT ACCOUNTING ESTIMATES AND ASSUMPTIONS:

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Notes to Financial Statements of Hans Ispat Limited
For the year ended 31st March, 2021

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(a) Taxes

Pursuant to the Taxation Laws (Amendment) Ordinance 2019 issued by Ministry of Law and Justice (Legislative Department) dated September 20, 2019 effective from April 01, 2019 the company has opted to avail lower Tax rates of 22% (without any tax benefits) instead of existing tax rate of 30%.

(b) Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables for India. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for India.

(c) Fair value measurement for financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Notes to Financial Statements for the Year Ended 31st March, 2021

23 Employee Benefits Expense

A. Defined contribution plans: (included in Note No. 20 "Employee benefits expense")

The Company has recognized expenses towards defined contribution plan as under:

PARTICULAR	Year ended 31-03-2021		Year ended 31-03-2020
Provident Fund and Other fund	2,074,573		3,781,665
Total	2,074,573		3,781,665

B. Defined benefit plans: As per actuarial valuation

The Company operates gratuity plan in the nature of defined benefit plan wherein every employee is entitled to the benefit as per scheme of the Company, for each completed year of service. The same is payable on retirement or termination whichever is earlier. The benefit vests only after five years of continuous service. The gratuity plan is governed by the payment of Gratuity Act,1972. The scheme is unfunded.

31st March, 2021 : Changes in defined benefit obligation and plan assets (Amount In Rupees)

	Cost charged to Statement of Profit and Loss					Remeasurement gains/(losses) in other comprehensive income							
	1 st April, 2020	Service cost	Net interest expense	Liabiity Transferred out / Divestments	Sub-total included in Statement of Profit and Loss (Note 23)	Benefit paid	Return on plan assets (excluding amounts included in net interest expense)	Actuarial changes arising from changes in demographic assumptions	Actuarial changes arising from changes in financial assumptions	Experience adjustments	Sub-total included in OCI	Contributions by employer	31 st March, 2021

Surplus of the unfunded plan	4,790,986	6,366,294

HANS ISPAT LIMITED

Notes to Financial Statements for the Year Ended 31st March, 2021

The principal assumptions used in determining above defined benefit obligations for the Company's plans are shown below:

Particulars	Year ended 31-03-2021	Year ended 31-03-2020
Discount rate	6.87%	6.89%
Future salary increase	6.00%	6.00%
Expected rate of return on plan assets	N.A	N.A
Employee Turnover Rate	3.00%	3.00%
Mortality rate during employment	Indian Assured Lives Mortality (2006-08)	Indian Assured Lives Mortality (2006-08)
Mortality rate after employment	N.A	N.A

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled. There has been significant change in expected rate of return on assets due to change in the market scenario.

A quantitative sensitivity analysis for significant assumption is as shown below:

Gratuity

(increase) / decrease in defined benefit obligation (Impact)			
Particulars	Sensitivity level	As at 31-03-2021	As at 31-03-2020
Discount rate	1% increase	(550,265)	(636,995)
	1% decrease	660,609	763,248
Salary increase	1% increase	659,727	762,389
	1% decrease	(559,203)	(647,464)
Employee turnover	1% increase	43,933	47,536
	1% decrease	(51,496)	(56,336)

(a) The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumption constant.

(b) The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumption may be correlated.

(c) Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognized in the balance sheet.

(d) There was no change in the methods and assumption used in preparing the sensitivity analysis from prior years.

The followings are the expected future benefit payments for the defined benefit plan :

Particulars	As at 31-03-2021	As at 31-03-2020
1st Following Years	162,892	924,677
2nd Following Years	168,205	200,593
3rd Following Years	181,154	208,017
4th Following Years	254,379	223,808
5th Following Years	244,828	291,451
Sum of Years 6 to 10	1,347,720	1,913,398
Sum of Years 11 and above	11,234,555	12,815,923
Total expected payments	13,593,733	16,577,867

Maturity Analysis of the Benefit Payments is undiscounted cash flows considering future salary, attrition & death in respective year for members as mentioned above.

Weighted average duration of defined plan obligation (based on discounted cash flows)

Particulars	As at 31-03-2021 Years	As at 31-03-2020 Years
Gratuity	14	13

The followings are the expected contributions to planned assets for the next year:

Particulars	As at 31-03-2021 (Amount in Rs.)	As at 31-03-2020 (Amount in Rs.)
Gratuity	-	-

Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to the Following Risks:

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay out based on pay as you go basis from own funds.

Mortality Risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

HANS ISPAT LIMITED

Other adjustments	10,527,983.00	(2,034,735.00)	8,493,248.00
Total	400,503,908.00	(88,278,891.00)	312,225,017.00
Net Deferred Tax Assets	363,648,572.00	(75,954,332.00)	287,694,240.00

* Deferred tax assets have not been recognized, as it is not probable that sufficient taxable income will be available in the future against which such deferred tax assets can be realized in the normal course of business of the company.

HANS ISPAT LIMITED**Notes to Financial Statements for the Year Ended 31st March, 2021**

29 (a) In the opinion of the Directors, the current assets, Loans and advances are approximately of the value stated, if realized in the ordinary course of the business and there is no contingent liability other than stated above and provision for all known liabilities are adequate. The accounts of Trade receivable, Trade payable, Advances for Goods & Expenses and others, are subject to confirmations and necessary adjustment, if any will be made on its reconciliation or receipt of complete details from the concerned parties. The Balances with Government Authorities (Net) are subject to reconciliation, submission of its return for its claim and/or its assessment if any. The classification/grouping of items of the accounts are made by the management, on the basis of the available data with the company and which has been relied upon by the Auditor.

(b) In view of non-recovery of the amounts or non-settlement of the accounts, the company has determined Rs.Nil (31 March 2020 Rs.Nil) as doubtful Trade receivables and has made no provision for the same.

(c) During December 2014, State Bank of India has assigned its entire debts along with all its securities and rights to Invent Assets Securitization & Reconstruction Private Limited (Hereinafter referred as "IASRPL") and as per the terms and conditions of the Settlement Agreement dated 5th March 2015 which was further revised vide sanction letter dated 15th March 2019, and if all the terms and conditions are fully complied with by the company Upto 31st December 2022, there will be reduction in debts of IASRPL by Rs 8,83,28,701/-.

30 Other Matter

(1) During the year the company has stopped the operation of the SMS Plant due to various operational reasons. However the management is hopeful that the same will be in operation in near future and therefore no impairment on the said plant has been provided.

(2) Due to the outbreak of COVID-19 globally and in India, the Company has made an assessment of the likely adverse impact on economic environment in general and financial risks on account of COVID-19. The Company continues to assess the recoverability of the carrying amount of its assets through consideration of various internal and external information and has concluded that these carrying amounts are recoverable as on March 31, 2021. The Management believes that it has taken into account all the possible impact of known events arising from COVID-19 pandemic in the preparation of the financial statements. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.

31 Legal cases

Criminal complain u/s 138 read with Section 142 of the Negotiable instrument Act, 1881 has been filed before the Hon'ble Judicial Magistrate First Class Ahmedabad for dishonor of cheque of following Parties and are shown as doubtful and the provision for the doubtful debt of Rs. 2,69,97,656/- (Previous year Rs. 2,69,97,656/-) has been provided in the books.

32 Bank Loans and its Legal Cases

a)1. Bank of Baroda had filed Original Application against Company & guarantors (i.e. Mr. Shailesh Bhandari and Mr. Mukesh Bhandari) before Debt Recovery Tribunal-1, Ahmedabad ("DRT") under section 19 of the Recovery of Debts due to Banks and Financial Institutions Act 1993. The Hon'ble DRT vide judgement dated 15th April, 2019 allowed the original application filed by the Bank of Baroda and for issue of recovery certificate against the Company and guarantors to the tune of Rs. 50.74 Crores and future interest on the amount due@12.00% p.a. with monthly rests from the date of filing of Original Application till the recovery of amount. The Hon'ble Recovery Officer of the DRT has initiated recovery proceedings and passed order / issued warrant for attachment of hypothecated / mortgaged properties. Thereafter, the Hon'ble Recovery Officer has put the properties for e-auction on 22.11.2019 and 29.04.2020, however there was no buyer for the e-auction properties. Further on application of the Bank of Baroda, the bank accounts of the Company were attached to the extent the accounts had the balance as on 19.10.2019 and the appropriation of the said amounts from the accounts. Further proceedings are pending before the Hon'ble Recovery Officer.

b)2. Bank of Baroda has issued a show cause notice to the Company & guarantors / directors for declaring them as willful defaulter. The Company has replied to the said show cause notice. Thereafter, the Company has requested for some other suitable date for hearing before committee and there is no communication in respect of the same. When the Company came to know that the Bank of Baroda has declared the Company and its Directors as willful defaulter and reported the same to Reserve Bank of India / CIBIL, the Company has challenged the said action before the Hon'ble Gujarat High Court and the Hon'ble Gujarat High Court vide order dated 1st August, 2017 granted stay on the identification as willful defaulter till the hearing and final disposal of the petition. The said petition is pending before Hon'ble Gujarat High Court for further hearing.

c)3. Bank of Baroda had issued notice under section 13(2) of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 ("SARFAESI Act, 2002") on 15.01.2015. The Company has filed its reply to the said notice and Bank of Baroda has issued a rejoinder letter. Thereafter, Bank of Baroda vide letter dated 16.04.2016 issued notice demanding possession of secured assets and the Company has replied to the said possession notice.

(d) The accounts of the Bank of Baroda are classified as Non Performing Asset on 15.01.2015 and therefore provision for the following interest has not been made by the Company and to that extent loss and bank loan have been understated. Unprovided Interest has been calculated on the basis of the Hon'ble DRT judgment dated 15th April, 2019.

The following table provides the fair value measurement hierarchy of the Company's financial assets and liabilities:				
(Amount In Rupees)				
Particulars	As at 31-03-2021		As at 31-03-2020	
	Significant observable Inputs (Level 1)	Total	Significant observable Inputs (Level 1)	Total
Financial Assets				
Investments in quoted mutual funds (measured at FVTPL) (refer note 4)	-	-	-	-
Level 1: Quated market prices in active markets for identical assets or liabilities.				
Valuation Method				
Financial instruments are initially recognized and subsequently re-measured at fair value as described below: -				
- The Fair value of investments in quoted Mutual Funds is measured at quoted price or NAV.				
(b) Financial Instrument measured at Amortized Cost				
The carrying amount of financial assets and financial liabilities measured at amortized cost in the financial statements are a reasonable approximation of their fair values since the management does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.				

HANS ISPAT LIMITED**Notes to Financial Statements for the Year Ended 31st March, 2021****34 Financial instruments risk management objectives and policies**

The Company's principal financial liabilities, comprises of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets, include trade and other receivables, investments and cash and cash equivalents that derive directly from its operations.

The Company's activities exposes it to market risk, liquidity risk and credit risk. The Company's senior management oversees the management of these risks. The Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance of the company.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as commodity risk. Financial instruments affected by market risk include borrowings, deposits, Investments, trade and other receivables, trade and other payables and derivative financial instruments.

The potential economic impact, due to these assumptions, is based on the occurrence of adverse / inverse market conditions and reflects estimated changes resulting from the sensitivity analysis. Actual results that are included in the Statement of Profit and Loss may differ materially from these estimates due to actual developments in the global financial markets.

i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has insignificant interest bearing borrowings, the exposure to risk of changes in market interest rates is minimal.

ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. Since the Company has insignificant foreign currency exposure, the exposure to risk of changes in market foreign currency is minimal. As on 31st March 2021 the outstanding unhedged / hedged foreign currency exposure is Rs Nil (31st March 2020 is Rs Nil).

iii) Other price risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. Other price risk arises from financial assets such as investments in mutual fund. The Company is exposed to price risk arising mainly from investments in mutual funds recognized at FVTPL. As at 31st March 2021, the carrying value of such instruments recognized at FVTPL amounts to Rs. Nil (31st March 2020 Rs.Nil). The details of such investments in mutual funds is given in Note 4.

The management expects that the exposure to risk of changes in market rates of these mutual funds is minimal.

(b) Credit Risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, and other financial instruments. Credit risk arising from investment in mutual funds and other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognized financial institutions with high credit ratings assigned by the international credit rating agencies.

Trade receivables and Loans

Credit risk arises from the possibility that customer/borrowers will not be able to settle their obligations as and when agreed. To manage this, the Company periodically assesses the financial reliability of customers and the borrowers, taking into account the financial condition, current economic trends, analysis of historical bad debts, ageing of accounts receivable and forward looking information.

The provision on trade receivables for expected credit loss is recognized on the basis of life-time expected credit losses (simplified approach). Trade receivables are evaluated separately for balances towards progress billings and retention money due from customers. An expected loss rate is calculated at each year-end, based on combination of rate of default and rate of delay. The Company considers the rate of default and delay upon initial recognition of asset, based on the past experience and forward-looking information, wherever available. The provision on loans for expected credit loss is recognized on the basis of 12-month expected credit losses and assessed for significant increase in the credit risk.

Expected credit loss of Trade Receivable

(Amount In Rupees)

Particulars	As at 31-03-2021	As at 31-03-2020
Gross carrying amount	148,824,293	178,220,851
Expected loss rate	22.67	18.93
Expected credit losses (loss allowance provision)	33,743,535	33,743,535
Carrying amount of trade receivables (net of impairment)	115,080,758	144,477,316

Concentrations of Credit Risk form part of Credit Risk

During the year ended 31st March, 2021, sales to a customer approximated Rs.48.56 Cores or 58.63% of net revenue and during the year ended 31st March 2020, sales to such customer approximated Rs. 101.98 or 25.77 % of net revenue. Accounts receivable from such customer approximated Rs.NIL at 31st March, 2021 and Rs. 9.42 Crores at 31st March, 2020. A loss of this customer could adversely affect the operating results or cash flows of the Company.

HANS ISPAT LIMITED				
Notes to Financial Statements for the Year Ended 31st March, 2021				
(c) Liquidity risk Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including, debt and overdraft / credit facilities from domestic banks at an optimized cost. The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:				
(Amount In Rupees)				
Particulars	On Demand / Less than 1 Year	1 to 3 years	More than 3 year	Total
Year ended 31st March, 2021				
Other financial liabilities	-			-

Trade payables	555,806,660	-	-	555,806,660
35 Capital Management For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholders value through efficient allocation of capital towards expansion of business, optimization of working capital requirements and deployment of surplus funds into various investment options. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans. The management of the Company reviews the capital structure of the Company on regular basis. As part of this review, the Board considers the cost of capital and the risks associated with the movement in the working capital. The Capital structure of the Company is as follows:				
(Amount In Rupees)				
Particular	As at 31-03-2021	As at 31-03-2020		
Equity	364,200,000	364,200,000

BHASKARPARA COAL COMPANY LIMITED

**FINANCIAL STATEMENTS
FOR THE YEAR
2020-2021**

INDEPENDENT AUDITOR'S REPORT

To
The Members of
BHASKARPARA COAL COMPANY LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of **BHASKARPARA COAL COMPANY LIMITED** ('the company'), which comprises the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including other Comprehensive Income), the Cash flow statement and the statement of changes in equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as 'Ind AS financial statements') .

In our opinion and to the best of our information and according to the explanations given to us read with the notes to accounts, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its Profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention on note No. 21 relating to the order of the Hon'ble Supreme Court of India for cancellation of Coal block allotted to the company, the company does not have any business to carry on as on date, hence the accounts are prepared on the basis that the company is not a going concern.

Matter of Emphasis

We draw attention on to following notes:-

1. Note No. 8.1 of the financial statement, related to the "Share Application Money, pending allotment" of Rs. 2,49,45,000/-
2. Note No.5 regarding the amount of Rs. 24,40,704/- recoverable from consultant in respect of which confirmation of balance is not made available and is considered as good and recoverable by the Company.

Key Audit Matter

Key audit matters are those matters that in our professional judgment were of most significance in our audit of the financial information of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In addition to the matter described above in Material Uncertainty Related to Going Concern, there are no other key audit matters to communicate in our report.

Information other than on Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS standalone financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the standalone Ind AS Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind As financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls regarding financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represents the underlying transactions and events in the manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefit of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub - section (11) of Section 143 of the Act, We give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the said order to the extent applicable to the Company for the year under consideration.

As required by Section 143(3) of the Act, We report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion proper books of account as required by the law have been kept by the company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the companies (Accounts) Rule, 2015, as amended;
- (e) On the basis of the written representation received from the directors as on 31st March, 2021 and taken on the records by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as director in terms of section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) In our opinion and according to information and explanations given to us, no remuneration is paid by the Company to its directors during the current year.

With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
- (ii) There are no long term contracts including derivative contracts and accordingly no provision is required to be made for any loss from the same; and

(iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANEXRURE A TO INDEPENDENT AUDITOR'S REPORT

Annexure referred to in Paragraph 1 of our report of even date to the members of **Bhaskarpara Coal Company Limited** for the year ended on 31st March, 2021.

- (i) (a) The Company is maintaining records showing full particulars, including quantitative details and situation of fixed assets.
- (b) As informed to us, the company has a program of physical verification of its fixed assets by which the fixed assets are physically verified by the Management at regular intervals and no material discrepancies have been noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets.
- (c) According to the information and explanation given to us the title deeds of immovable properties, as disclosed in Note 2 of "Property Plant and Equipment" to the financial statements are held in the name of the Company, except for conveyance deed for land acquisition of Rs. 1,93,37,600/- has been executed but its documents could not be obtained from the office of the Sub-Registrar, on account of dispute in relation to payment of the Stamp duty.
- (ii) The Company does not have any inventories. Therefore, requirements as per clause (ii) paragraph 3 of the Order are not applicable.
- (iii) As informed to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ('the Act') and accordingly clause (iii) of paragraph 3 of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees and securities granted in respect of which provisions of Section 185 and 186 of the Companies Act, 2013 are applicable and hence not commented upon.
- (v) As informed to us and subject to Note No. 8.1 in the financial statement, during the year the Company has not accepted any deposits from the public within the meaning of Sections 73,74,75 and 76 of the Companies Act, 2013 and the rules framed there under to the extent notified.
- (vi) The Companies (Cost Records and Audit) Rules 2014 prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 are not applicable to the Company and accordingly clause (vi) of paragraph 3 of the Order are not applicable to the company.
- (vii) (a) According to the information and explanation given to us and based on the records of the Company examined by us, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, Goods and Service Tax, Cess and any other material statutory dues as applicable, with the appropriate authorities in India;
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Custom Duty, Goods and Service Tax, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
- (c) There is no outstanding dues of Income Tax, Sales Tax, Wealth Tax, Service Tax, duty of customs, duty of excise, value added tax, Goods and Service Tax or cess which have not been deposited on account of any dispute.

- (viii) According to the records of the company examined by us and the information and explanation given to us, the Company has not borrowed any loans from financial institution and bank as at the balance sheet date and therefore clause (viii) of paragraph 3 of the Order are not applicable to the company.
- (ix) In our opinion, and according to the information and explanation given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments) or term loans and accordingly clause (ix) of paragraph 3 of the Order are not applicable to the company.
- (x) During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practice in India, according to the information and explanation given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor has been informed of any such case by the Management.
- (xi) The Company has not provided for managerial remuneration in the books of accounts during the year under section 197 of the Companies Act, 2013 and accordingly clause (xi) of paragraph 3 of the Order are not applicable to the company.
- (xii) As the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it, clause (xii) of paragraph 3 of the Order are not applicable to the company.
- (xiii) During the year the Company has not entered into transactions with the related parties in compliance with the provisions of sections 177 and 188 of the Companies Act, 2013. The details of outstanding balances with such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (xiv) As informed to us and according to the information and explanation given to us, the Company has made no preferential allotment of shares during the year under review and therefore clause (xiv) of paragraph 3 of the Order are not applicable to the company.
- (xv) According to the records of the Company examined in course of our audit and as per the information and explanations given to us, the Company has not entered in any non-cash transactions with directors or persons connected with them as referred to in section 192 of the Companies Act, 2013 and therefore clause (xv) of paragraph 3 of the Order are not applicable to the company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934. Accordingly, clause (xvi) of paragraph 3 of the Order is not applicable to the company.

ANEXRURE B TO INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) of Independent Auditor's report of even date to the members of **Bhaskarpara Coal Company Limited** on the stand alone Ind AS Financial Statements for the year ended March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of the **Bhaskarpara Coal Company Limited** ('the Company') as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting are established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

Internal financial control over financial reporting is a process designed by the Company to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Further, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate owing to changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1 Significant Accounting Policies

1.1 Basis of accounting and preparation of Financial Statements :

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 ("Act") read with the Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the companies (Indian Accounting Standards) Amendment Rules, 2016 on non going concern basis.

The financial Statements are presented in Indian Rupees (INR).

1.2 The Company presents assets and liabilities in the Balance Sheet based on Current/non-current classification: -

An asset is treated as current when it is:

- > Expected to be realised or intended to be sold or consumed in the normal operating cycle
- > Held primarily for the purpose of trading
- > Expected to be realised within twelve months after the reporting period or
- > Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current

A liability is current when:

- > it is expected to be settled in the normal operating cycle;
- > it is held primarily for the purpose of trading;
- > it is due to be settle within twelve months after the reporting period or;
- > There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities

The company has ascertained its operating cycle as twelve months for purpose of Current/Non-Current classification of its Assets and Liabilities.

1.3 PORPERTY, PLANT AND EQUIPMENT (PPE)

PPE and Capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price and borrowing costs if capitalization criteria are met, the cost of replacing part of the fixed assets and directly attributable cost of bringing the asset to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of fixed assets are required to be replaced at intervals, the company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major overhauling is performed, its cost is recognized in the carrying amount of the PPE as a replacement if the recognition criteria are satisfied. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of PPE is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing PPE, including day-to-day repair and maintenance expenditure and cost of parts replaced, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

CWIP comprises of cost of PPE that are yet not installed and not ready for their intended use at the Balance Sheet date.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if applicable.

The company calculates depreciation on items of property, plant and equipment on a straight-line basis using the rates arrived at based on the useful lives defined under Schedule II of the Companies Act, 2013

Note 1 Significant Accounting Policies

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised.

1.4 IMPAIRMENT OF NON-FINANCIAL ASSETS:

The Company assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

1.5 BORROWING COSTS:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

1.6 REVENUE:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognised.

i) Sale of Goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of trade discounts.

ii) Dividend is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

iii) Interest Income is recognized on time proportion basis taking into account the amounts outstanding and the rates applicable. Interest income is included under the head "other income" in the Statement of Profit and Loss.

1.7 TAXES:

Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Note 1 Significant Accounting Policies

Deferred Tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- > When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable Profit or Loss.
- > In respect of taxable temporary differences associated with investments in subsidiaries, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, except:

- > When the deferred tax asset arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- > In respect of deductible temporary differences associated with investments in subsidiaries, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

1.8 PROVISIONS:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

1.9 EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

1.10 CASH AND CASH EQUIVALENT:

Cash and cash equivalents in the Balance Sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of charges in value.

General

1.11 Any other accounting policy not specifically referred to are consistent with generally accepted accounting principles.

	Total	2 49 45 000	2 49 45 000

8.1 "Share Application Money, pending allotment

As per Companies (Acceptance of Deposits) Amendment Rules, 2015, if a company receives any amount by way of subscriptions to any shares before the 1st April, 2014 and disclosed in the balance sheet for the financial year ended on or before the 31st March, 2014 against which the allotment is pending on the 31st March, 2015, the company shall, by 1st June, 2015 either return such amounts to the persons from whom there were received or allot shares.

Ministry of Coal, Government of India has de-allocated the Bhaskarpara Coal Block vide letter dated 15.11.2012 and the Supreme Court of India vide order dated 24.09.2014 ordered cancellation of the coal block. The Central Government has as per the Coal Mines (Special Provisions) Act, 2015 auctioned the said Bhaskarpara Coal Block and selected the successful bidder for the said coal block. Ministry of Coal, Government of India has vide letter dated 24th October, 2014 and 18th December, 2015 sought information for valuation of compensation for payment to prior allottee as per the Coal Mines (Special Provisions) Act, 2015 and the payment of compensation will be as per the Coal Mines (Special Provisions) Act, 2015.

As the Company was incorporated with the main object of development of Bhaskarpara Coal Block, which is now de-allocated and cancelled, further infusion of funds by the any of joint ventures partners is not feasible to meet the statutory requirement. As per the Coal Mines (Special Provisions) Act, 2015, whenever the compensation amount will be disbursed by the Central Government / Nominating Authority, the said amount will be utilized for payment for refund of share application money or in case need arises, shares against the share application money, after making necessary legal compliance, will be allotted to the applicants.

In view of the above, the share application money has not been treated as "Deposit" as per the Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014.

19 Deferred Tax Adjustment

In accordance with Indian Accounting Standard 12 "Income Taxes", the company does not have Deferred tax liabilities / Deferred tax assets as there are no taxable temporary differences or deductible temporary differences.

- 20** Ministry of Coal, Government of India vide their letter No: 13016/54/2008-CA-I Vol.III dated 15/11/2012 has ordered de-allocation of Bhaskarpara Coal block and invocation of partial amount of Bank Guarantee of Rs. 1.6513 Crores in respect thereof. However, M/s UltraTech Cement Limited one of the promoters of the company has filed writ petition under Article 226 of the Constitution of India in Chhattisgarh High Court. The High Court has granted stay against further proceedings. Subsequently Supreme Court of India vide its order dated 24.09.2014 ordered the cancellation of coal block allotted to the Company. In view of this de-allocation matter before Chhattisgarh High Court has become infructuous.

The High Court of Chhattisgarh has passed final order on 15.11.2017 and upheld MoC demand to invoke the bank guarantee to the extent of the amount of Rs. 1.6513 Crores with accruals as may be due thereon. The company has filed SLP 35575/2017 in Hon'ble Supreme Court and stay granted on invocation of the bank guarantee.

- 21** In view of the order of the Supreme Court of India for cancellation of coal block allotted to the Company, the Company does not have any business to carry on. Hence these accounts are prepared on the basis that the Company is not a going concern.

The Government of India has promulgated the Coal mines (Special provisions) ordinance, 2014 . As per clause 16 of the ordinance, being a prior allottee, the Company is entitled to reimbursement of cost of land and mine infrastructure expenses. Consequently, out of project expenses of Rs. 11,36,47,143/-, the company made impairment of Rs. 3,48,53,225/- in respect of non recoverable expenditure in year closing 31.03.2015. Further all other assets are stated at realisable value and liabilities at which are actually payable.

Bhaskarpara Coal Company Limited

INDEPENDENT AUDITOR'S REPORT

To
The Members of
ET ELEC-TRANS LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **ET ELEC-TRANS LIMITED** ('the company'), which comprises the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including other Comprehensive Income), the Cash flow statement and the statement of changes in equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as 'Ind AS financial statements') .

In our opinion and to the best of our information and according to the explanations given to us read with the notes to accounts, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its Profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

The company does not have any business to carry on as on date, hence the accounts are prepared on the basis that the company is not a going concern.

Key Audit Matter

Key audit matters are those matters that in our professional judgment were of most significance in our audit of the financial information of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In addition to the matter described above in Material Uncertainty Related to Going Concern, there are no other key audit matters to communicate in our report.

Information other than on Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind As financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as

applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls regarding financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represents the underlying transactions and events in the manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefit of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub – section (11) of Section 143 of the Act, We give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the said order to the extent applicable to the Company for the year under consideration.

As required by Section 143(3) of the Act, We report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion proper books of account as required by the law have been kept by the company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the companies (Accounts) Rule, 2015, as amended;
- (e) On the basis of the written representation received from the directors as on 31st March, 2021 and taken on the records by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as director in terms of section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) In our opinion and according to information and explanations given to us, no remuneration is paid by the Company to its directors during the current year.

With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements;

- (ii) There are no long term contracts including derivative contracts and accordingly no provision is required to be made for any loss from the same; and
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANEXRURE A TO INDEPENDENT AUDITOR'S REPORT

Annexure referred to in Paragraph 1 of our report of even date to the members of **ET Elec-Trans Limited** for the year ended on 31st March, 2021.

- (i) The Company does not have any fixed assets. Therefore, requirements as per clause (i) paragraph 3 of the Order are not applicable.
- (ii) The Company does not have any inventories. Therefore, requirements as per clause (ii) paragraph 3 of the Order are not applicable.
- (iii) As informed to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ('the Act') and accordingly clause (iii) of paragraph 3 of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees and securities granted in respect of which provisions of Section 185 and 186 of the Companies Act, 2013 are applicable and hence not commented upon.
- (v) As informed to us, during the year the Company has not accepted any deposits from the public within the meaning of Sections 73,74,75 and 76 of the Companies Act, 2013 and the rules framed there under to the extent notified.
- (vi) The Companies (Cost Records and Audit) Rules 2014 prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 are not applicable to the Company and accordingly clause (vi) of paragraph 3 of the Order are not applicable to the company.
- (vii) (a) According to the information and explanation given to us and based on the records of the Company examined by us, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including income-tax and any other material statutory dues as applicable, with the appropriate authorities in India;

According to the information and explanations given to us, no undisputed amounts payable in respect of income-tax and any other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable except Professional tax of Rs. 6,185/-. As informed, the Company is currently not liable to Goods and Service Tax, provident fund, employees' state insurance and duty of excise.

(b) According to the information and explanations given to us and based on the records of the Company examined by us, there are no dues outstanding of income-tax, sales tax, service tax, duty of customs and value added tax on account of any dispute. As informed, the Company is currently not liable to duty of excise.
- (viii) According to the records of the company examined by us and the information and explanation given to us, the Company has not borrowed any loans from financial institution and bank as at the balance sheet date and therefore clause (viii) of paragraph 3 of the Order are not applicable to the company.
- (ix) In our opinion, and according to the information and explanation given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments) or term loans and accordingly clause (ix) of paragraph 3 of the Order are not applicable to the company.

- (x) During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practice in India, according to the information and explanation given to us, I have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor has been informed of any such case by the Management.
- (xi) The Company has not paid / provided for managerial remuneration in the books of accounts during the year under section 197 of the Companies Act, 2013 and accordingly clause (xi) of paragraph 3 of the Order are not applicable to the company.
- (xii) As the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it, clause (xii) of paragraph 3 of the Order are not applicable to the company.
- (xiii) During the year the Company has not entered into transactions with the related parties in compliance with the provisions of sections 177 and 188 of the Companies Act, 2013. The details of outstanding balances with such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (xiv) As informed to us and according to the information and explanation given to us, the Company has made no preferential allotment of shares during the year under review and therefore clause (xiv) of paragraph 3 of the Order are not applicable to the company.
- (xv) According to the records of the Company examined in course of our audit and as per the information and explanations given to us, the Company has not entered in any non-cash transactions with directors or persons connected with them. Hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934. Accordingly, clause (xvi) of paragraph 3 of the Order is not applicable to the company.

ANEXRURE B TO INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) of Independent Auditor's report of even date to the members of **ET Elec-Trans Limited** on the Ind AS Financial Statements for the year ended March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of the **ET Elec-Trans Limited** ('the Company') as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting are established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

Internal financial control over financial reporting is a process designed by the Company to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Further, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate owing to changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1

Significant Accounting Policies

1.1 Basis of accounting and preparation of Financial Statements :

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 ("Act") read with the Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the companies (Indian Accounting Standards) Amendment Rules, 2016 on non going concern basis.

The financial Statements are presented in Indian Rupees (INR).

1.2 The Company presents assets and liabilities in the Balance Sheet based on Current/non-current classification: -

An asset is treated as current when it is:

- > Expected to be realised or intended to be sold or consumed in the normal operating cycle
- > Held primarily for the purpose of trading
- > Expected to be realised within twelve months after the reporting period or
- > Cash or Cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current

A liability is current when:

- > it is expected to be settled in the normal operating cycle;
- > it is held primarily for the purpose of trading;
- > it is due to be settle within twelve months after the reporting period or;
- > There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities

1.3 Accounting Presumption

During the year the company has not carried out any business or commercial activity. The accounts have been prepared on the accounting assumption that the company is no more a going concern. During the year the company has a cash loss of Rs. 27,928/- and accumulated losses of Rs. 1,47,52,830/- which has fully eroded the net worth of the company.

1.4 IMPAIRMENT OF NON-FINANCIAL ASSETS:

The Company assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

ET ELEC-TRANS LIMITED

CIN : U34102GJ2008PLC055557

Note 1

Significant Accounting Policies

1.5 BORROWING COSTS:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

1.6 REVENUE:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognised.

i) Sale of Goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of trade discounts.

ii) Dividend is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

iii) Interest Income is recognized on time proportion basis taking into account the amounts outstanding and the rates applicable. Interest income is included under the head "other income" in the Statement of Profit and Loss.

1.7 TAXES:

Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

ET ELEC-TRANS LIMITED

CIN : U34102GJ2008PLC055557

Note 1

Significant Accounting Policies

Deferred Tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

> When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable Profit or Loss.

> In respect of taxable temporary differences associated with investments in subsidiaries, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, except:

> When the deferred tax asset arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

> In respect of deductible temporary differences associated with investments in subsidiaries, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

1.8 PROVISIONS:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

Note 1

Significant Accounting Policies

1.9 EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

1.10 CASH AND CASH EQUIVALENT:

Cash and cash equivalents in the Balance Sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of charges in value.

1.11 General:

Any other accounting policy not specifically referred to are consistent with generally accepted accounting policies.

Particulars	Refer Note	As at 31-03-2020		
		Fair Value through Profit or Loss	Amortised Cost	Carrying Value
Financial Assets				
Other Financial Assets		-	-	-
Cash and Cash Equivalents	1	-	5,859	5,859
Total		-	5,859	5,859
Financial Liabilities				
Borrowings	4	-	5,517,504	5,517,504
Other Financial Liabilities	5	-	250,000	250,000
Other Current Liabilities	6	-	6,185	6,185
Total			5,773,689	5,773,689

16 Category-wise classification of financial instruments:

a) Quantitative disclosures fair value measurement hierarchy for financial assets and financial liabilities

The company has not valued any assets and liabilities at the fair values.

b) Financial instruments measured at Amortised Cost.

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

17 Financial Instruments risk management objectives and policies

The company's principal financial liabilities includes Borrowings, other financial liabilities and other current liabilities. The company's principal financial assets includes Cash and Cash Equivalents only.

The Company's risk management is carried out by the corporate finance under policies approved by the Board of Directors. The Board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non derivative financial instruments, and investment of excess liquidity.

The Company's activities are not exposed to any Market Risk which includes interest rate risk, Foreign currency risk, credit risk, Liquidity risk etc. as the company has not carried out any commercial activities.

ET ELEC-TRANS LIMITED

CIN : U34102GJ2008PLC055557

Notes to Financial Statements

18 Capital Management

For the purpose of requirement of Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the company. The primary objective of the company when managing capital is to safeguard its ability to continue as a going concern and to maintain optimal capital structure so as to maximize the shareholder value through efficient allocation of capital towards expansion of business, optimisation of working capital requirements and development of surplus funds into various investment options.

During the year the company has not carried out any commercial activities and the accumulated losses has eroded the paid up capital of the company and therefore meeting of capital requirement is not required.

19 Events occurred after the Balance sheet date

The Company evaluates events and transactions that occur subsequent to the Balance sheet Date but prior to the approval of the financial statements to determine the necessity for recognition and/or reporting of any of these events and transactions in the financial statements. As of 10/06/2020, there were no subsequent events to be recognised or reported that are not already disclosed elsewhere in these financial statements.

20 Figures of the previous year have been regrouped / re arranged wherever necessary to make them comparable with current year's figures.

As per my report of even date attached.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
ELECTROTHERM SERVICES LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **ELECTROTHERM SERVICES LIMITED** ('the company'), which comprises the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including other Comprehensive Income), the Cash flow statement and the statement of changes in equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as 'Ind AS financial statements') .

In our opinion and to the best of our information and according to the explanations given to us read with the notes to accounts, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its Profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than on Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind As financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has

adequate internal financial controls regarding financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represents the underlying transactions and events in the manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefit of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub - section (11) of Section 143 of the Act, We give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the said order to the extent applicable to the Company for the year under consideration.

As required by Section 143(3) of the Act, We report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion proper books of account as required by the law have been kept by the company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account;

- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the companies (Accounts) Rule, 2015, as amended;
- (e) On the basis of the written representation received from the directors as on 31st March, 2021 and taken on the records by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as director in terms of section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) In our opinion and according to information and explanations given to us, no remuneration is paid by the Company to its directors during the current year.

With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- (i) There are no pending litigations and accordingly no impact of it on its financial position in its financial statements required to be shown;
- (ii) There are no long term contracts including derivative contracts and accordingly no provision is required to be made for any loss from the same; and
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANEXRURE A TO INDEPENDENT AUDITOR'S REPORT

Annexure referred to in Paragraph 1 of our report of even date to the members of **ELECTROTHERM SERVICES Limited** for the year ended on 31st March, 2021.

- (i) (a) The Company has maintained proper records showing full quantitative details and situation of fixed assets (property, plant and equipment).
- (b) As informed to us, the company has a regular program of physical verification of its property, plant and equipment, by which the property, plant and equipment were verified during the year and no material discrepancies have been noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets.
- (c) The title of immovable properties as disclosed in Note No.3 of the Financial statement under the head of Property, Plant and Equipment, is held in the name of the company.
- (ii) The Company does not have any inventories. Therefore, requirements as per clause (ii) paragraph 3 of the Order are not applicable.
- (iii) As informed to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ('the Act') and accordingly clause (iii) of paragraph 3 of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees and securities granted in respect of which provisions of Section 185 and 186 of the Companies Act, 2013 are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits from the public within the meaning of Sections 73,74,75 and 76 of the Companies Act, 2013 and the rules framed there under to the extent notified.
- (vi) The Companies (Cost Records and Audit) Rules 2014 prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 are not applicable to the Company and accordingly clause (vi) of paragraph 3 of the Order are not applicable to the company.
- (vii) (a) According to the information and explanation given to us and based on the records of the Company examined by us, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, Goods and Service Tax, Cess and any other material statutory dues as applicable, with the appropriate authorities in India;
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Custom Duty, Goods and Service Tax, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable except professional tax of Rs. 2,450/-.
- (c) There is no outstanding dues of Income Tax, Sales Tax, Wealth Tax, Service Tax, duty of customs, duty of excise, value added tax, Goods and Service Tax or cess which have not been deposited as on March 31,2021 on account of any dispute.
- (viii) According to the records of the company examined by us and the information and explanation given to us, the Company has not borrowed any loans from financial institution and bank as at the balance sheet date and therefore clause (viii) of paragraph 3 of the Order are not applicable to the company.

- (ix) In our opinion, and according to the information and explanation given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments) or term loans and accordingly clause (ix) of paragraph 3 of the Order are not applicable to the company.
- (x) According to the information and explanation given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year.
- (xi) The Company has not paid or provided for managerial remuneration in the books of accounts during the year under section 197 of the Companies Act, 2013 and accordingly clause (xi) of paragraph 3 of the Order are not applicable to the company.
- (xii) As the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it, clause (xii) of paragraph 3 of the Order are not applicable to the company.
- (xiii) In our opinion and according to the information and explanation given to us, the company is in compliance with sections 177 and 188 of the Act, wherever applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (xiv) As informed to us and according to the information and explanation given to us, the Company has made no preferential allotment of shares during the year under review and therefore clause (xiv) of paragraph 3 of the Order are not applicable to the company.
- (xv) According to the information and explanations given to us, the Company has not entered in any non-cash transactions with directors or persons connected with them as referred to in section 192 of the Companies Act, 2013 and therefore clause (xv) of paragraph 3 of the Order are not applicable to the company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934. Accordingly, clause (xvi) of paragraph 3 of the Order is not applicable to the company.

ANEXRURE B TO INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) of Independent Auditor's report of even date to the members of **ELECTROTHERM SERVICES Limited** on the Ind AS Financial Statements for the year ended March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of the **ELECTROTHERM SERVICES Limited** ('the Company') as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting are established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

Internal financial control over financial reporting is a process designed by the Company to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to

permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Further, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate owing to changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements of Electrotherm Services Limited

For the year ended 31st March, 2021

1. CORPORATE INFORMATION:

Electrotherm Services Limited (the "Company") is a public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is a subsidiary of Electrotherm (India) Limited. The registered office of the Company is located at A-1, Skylark Apartment, Satellite Road, Satellite, Ahmedabad. The Company is engaged in the field of Human Resources (HR) and HR Management related activities.

The financial statements were authorized for issue in accordance with a resolution passed in Board Meeting held on 6th August, 2021.

2. BASIS OF PREPARATION:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time.

The financial statements are presented in Indian Rupees, except where otherwise indicated.

2.1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. CURRENT VERSUS NON-CURRENT CLASSIFICATION:

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve month as its operating cycle.

Notes to Financial Statements of Electrotherm Services Limited
For the year ended 31st March, 2021

B. FAIR VALUE MEASUREMENT:

The Company measures financial instruments, such as, derivatives at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative financial instruments and unquoted financial assets measured at fair value, and for non-recurring fair value measurement.

Notes to Financial Statements of Electrotherm Services Limited

For the year ended 31st March, 2021

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets, and significant liabilities, such as contingent consideration. Involvement of external valuers is decided upon annually by the Management after discussion with and approval by the Company's Audit Committee. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

Disclosures for valuation methods, significant accounting judgments, estimates and assumptions, Quantitative disclosures of fair value measurement hierarchy, financial instruments (including those carried at amortized cost) are stated by way of note at the appropriate place of the accounts.

C. PROPERTY, PLANT AND EQUIPMENT (PPE)

(i) PROPERTY, PLANT AND EQUIPMENT (PPE)

PPE and Capital work in progress are stated at cost net of accumulated depreciation and accumulated impairment losses if any. The cost comprises purchase price and borrowing costs if capitalization criteria are met, the cost of replacing part of the PPE and directly attributable cost of bringing the asset to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of PPE are required to be replaced at intervals, the Company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major overhauling is performed, its cost is recognized in the carrying amount of the PPE as a replacement if the recognition criteria are satisfied. Any trade discount and rebates are deducted in arriving at the purchase price

Subsequent expenditure related to an item of PPE is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing PPE, including day-to-day repair and maintenance expenditure and cost of parts replaced, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Notes to Financial Statements of Electrotherm Services Limited

For the year ended 31st March, 2021

CWIP comprises of cost of PPE that are yet not installed and not ready for their intended use at the Balance Sheet date.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if applicable.

The Company calculates depreciation on items of property, plant and equipment on a straight-line basis using the rates arrived at based on the useful lives defined under Schedule II of the Companies Act, 2013.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

(ii) INTANGIBLE ASSETS

Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost, less any accumulated amortization and accumulated impairment losses if any.

Intangible assets in the form of software's are amortized on straight-line basis over six years. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method as appropriate and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the Statement of Profit and Loss when the asset is derecognized.

D. IMPAIRMENT OF NON-FINANCIAL ASSETS:

The Company assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

E. BORROWING COSTS:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs

Notes to Financial Statements of Electrotherm Services Limited

For the year ended 31st March, 2021

consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

F. FINANCIAL INSTRUMENTS:

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus in the case of financial assets not recorded at fair value through Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Debt instruments - measured at amortized cost
- Debt instruments, derivatives and equity instruments - measured at fair value through Profit or Loss (FVTPL)
- Equity instruments-measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss. This category generally applies to trade, loans and other receivables.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization at amortized cost or as FVTOCI, is classified as at FVTPL.

Notes to Financial Statements of Electrotherm Services Limited

For the year ended 31st March, 2021

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the other comprehensive income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Notes to Financial Statements of Electrotherm Services Limited

For the year ended 31st March, 2021

a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

b) Financial guarantee contracts which are not measured at FVTPL.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables. Under the simplified approach the Company does not track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive, discounted at the original EIR. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' in the Statement of Profit and Loss.

The Balance Sheet presentation for various financial instruments is described below:

Financial assets measured at amortized cost:

ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through Statement of Profit and Loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Notes to Financial Statements of Electrotherm Services Limited

For the year ended 31st March, 2021

Financial liabilities valued at fair value through Statement of Profit and Loss.

Financial liabilities at fair value through Profit or Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition at fair value through Profit or Loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through statement of Profit and Loss are designated as such at the initial date of recognition and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the Statement of Profit and Loss. The Company has not designated any financial liability at FVTPL.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

Offsetting of financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realize the assets and settle the liabilities simultaneously.

Notes to Financial Statements of Electrotherm Services Limited
For the year ended 31st March, 2021

G. REVENUE FROM CONTRACT WITH CUSTOMER:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

However, Goods and Service tax (GST) is not received by the Company on its own account, rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

Sale of Goods and Services:

Revenue is recognized when a promise in a customer contract (performance obligation) has been satisfied by transferring control over the promised goods or services to the customer.

Interest income and expense:

Interest income or expense is recognized using the effective interest method.

H. RETIREMENT AND OTHER EMPLOYEE BENEFITS:

Retirement benefits in the form of provident fund and superannuation fund are defined contribution plans. The Company has no obligation, other than the contributions payable to provident fund and superannuation fund. The Company recognizes contribution payable to these funds as an expense, when an employee renders the related service.

In respect of gratuity liability, the Company does not have any employee, who has completed 5 years of services during the year and therefore no provision for gratuity and other post benefit plans have been provided.

I. TAXES

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (i.e. in other comprehensive income). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Notes to Financial Statements of Electrotherm Services Limited

For the year ended 31st March, 2021

Deferred tax liabilities are recognized for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable Profit or Loss.
- In respect of taxable temporary differences associated with investments in subsidiaries when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized except

- When the deferred tax asset arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and at the time of the transaction affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries deferred tax assets are recognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled; based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

J. CONTINGENT LIABILITIES:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be

Notes to Financial Statements of Electrotherm Services Limited
For the year ended 31st March, 2021

required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements if any.

K. PROVISIONS:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

L. EARNING PER SHARE:

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

M. CASH AND CASH EQUIVALENT:

Cash and cash equivalents in the Balance Sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of charges in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.2 SIGNIFICANT ACCOUNTING ESTIMATES AND ASSUMPTIONS:

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change

Notes to Financial Statements of Electrotherm Services Limited
For the year ended 31st March, 2021

due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(a) Fair value measurement for financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

	Other financial liabilities	10	-	107,618
	Total		-	42,113,862
			As at 31-03-2020	
	Particulars	Refer Note	Fair Value through profit or loss	Carrying Value
	Financial assets			
	Other Financial Assets	4	-	-
	Cash and cash equivalents	5	-	136,906
	Total		-	136,906
	Financial liabilities			
	Borrowings	8	-	41,769,000
	Trade payables	9	-	5,900
	Other financial liabilities	10	-	90,908
	Total		-	41,865,808
	Investment in equity shares of subsidiaries (including fellow subsidiary) are measured at cost, less provision for impairment.			
23.2	Category-wise Classification of Financial Instruments:			
	(a) Quantitative disclosures fair value measurement hierarchy for financial assets and financial liabilities			
	The company has not valued any assets and liabilities at the fair values.			
	(b) Financial Instrument measured at Amortised Cost			
	The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.			
24	Financial instruments risk management objectives and policies			
	The Company's principal financial liabilities includes borrowings, trade payable and Other financial liabilities. The Company's principal financial assets include Investments and Cash and cash equivalents.			
	The Company's risk management is carried out by the corporate finance under policies approved by the Board of directors. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.			
(a)	Market Risk			
	Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Since the Company is not operational, it is not exposed to significant market risk.			
(b)	Credit Risk			
	Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities mainly balance with banks. Credit risk arising because of balances with banks is limited and there is no collateral held against these because the counterparties are banks with high credit ratings assigned by the international credit rating agencies.			
(c)	Liquidity risk			
	Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system.			
	The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:			
			(Amount In Rupees)	
	Particulars	On Demand/ less than 1 year	1 to 3 years	Total
	As at 31st March, 2021			
	Borrowings	-	-	41,769,000
	Trade payables	237,244	-	237,244
	Other financial liabilities	107,618	-	107,618
	As at 31st March, 2020			
	Borrowings	-	-	41,769,000
	Trade payables	5,900	-	5,900
	Other financial liabilities	90,908	-	90,908
25	Capital Management			
	For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value through efficient allocation of capital towards expansion of business, optimisation of working capital requirements and deployment of surplus funds into various investment options.			
	As at 31 st March, 2021, the Company meets its capital requirement through equity. Consequent to such capital structure, there are no externally imposed capital requirements.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
SHREE RAM ELECTROCAST LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **SHREE RAM ELECTROCAST LIMITED** ('the company'), which comprises the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including other Comprehensive Income), the Cash flow statement and the statement of changes in equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as 'Ind AS financial statements') .

In our opinion and to the best of our information and according to the explanations given to us read with the notes to accounts, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its Loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

We draw attention to Note no. 28(d) of the accompanying financial statements, in respect of non provision of interest on Non Performing Loan of Bank of Rs. 19,04,55,987 for the year under consideration and total amount of such unprovided interest till date is Rs. 63,17,89,135/-. The exact amount of the said non provisions are not determined and accounted for by the company and to that extent Loss for the year is understated and Banker's loans liabilities is under stated.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention on note No. 23 and 28 relating to the action taken by the State Bank of India under SARFESI Act, 2002 and subsequent action of the sale through auction of the asset of the company by the bank, non-repayment of loan taken from bank and non-provision of interest of the said loans, seriously affecting going concern of the company.

Matter of Emphasis

We draw attention on Note no. 27 (a) relating to third party confirmation.

In our opinion, in respect of above matter emphasised we do not provide any modified opinion as these are not material.

Key Audit Matter

Key audit matters are those matters that in our professional judgment were of most significance in our audit of the financial information of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In addition to the matter described above in Material Uncertainty Related to Going Concern, there are no other key audit matters to communicate in our report.

Information other than on Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of

accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls regarding financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represents the underlying transactions and events in the manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefit of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub – section (11) of Section 143 of the Act, We give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the said order to the extent applicable to the Company for the year under consideration.

As required by Section 143(3) of the Act, We report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion proper books of account as required by the law have been kept by the company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the companies (Accounts) Rule, 2015, as amended;
- (e) On the basis of the written representation received from the directors as on 31st March, 2021 and taken on the records by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as director in terms of section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) In our opinion and according to information and explanations given to us, no remuneration is paid by the Company to its directors during the current year.

With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- (i) The company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note no. 21.
- (ii) There are no long term contracts including derivative contracts and accordingly no provision is required to be made for any loss from the same; and
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANEXRURE A TO INDEPENDENT AUDITOR'S REPORT

Annexure referred to in Paragraph 1 of our report of even date to the members of **SHREE RAM ELECTROCAST Limited** for the year ended on 31st March, 2021.

- (i) The possession of the fixed assets (including land) was taken by State Bank of India and have been sold under auction by the said bank on April 16, 2019 and accordingly as informed to us, there is no fixed assets of the company and therefore the requirements as per clause (i) paragraph 3 of the Order is not applicable.
- (ii) The possession of the inventories was taken by State Bank of India and have been sold under auction by the said bank on April 16, 2019 and accordingly as informed to us, there is no inventories of the company and therefore the requirements as per clause (ii) paragraph 3 of the Order is not applicable.
- (iii) As informed to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ('the Act') and accordingly clause (iii) of paragraph 3 of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees and securities granted in respect of which provisions of Section 185 and 186 of the Companies Act, 2013 are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits (other than exempted deposits) from the public within the meaning of Sections 73,74,75 and 76 of the Companies Act, 2013 and the rules framed there under to the extent notified and hence not commented upon.
- (vi) The Companies (Cost Records and Audit) Rules 2014 prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 are not applicable to the Company and accordingly clause (vi) of paragraph 3 of the Order are not applicable to the company.
- (vii) (a) According to the information and explanation given to us and based on the records of the Company examined by us, the Company is generally regular in depositing undisputed statutory dues including provident fund, income tax, Goods and Service Tax, Cess and any other material statutory dues as applicable, with the appropriate authorities in India except professional tax of Rs. 2,200/-;
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Custom Duty, Goods and Service Tax, Cess and other material statutory dues except the following:

Name of Statute	Forum where dispute is pending	Nature of Dues	Period to which amount relates	Amount (Rs.)
Income Tax Act, 1961	Income Tax Appellate Tribunal	Income Tax	Assessment year 2007-2008	50,73,756/-

It is learnt that the Hon'ble Income Tax Appellate Tribunal has passed the order and order giving effect of that Income Tax Appellate Tribunal has not been received by the company and therefore the exact amount is subject to the said order and its accounting in the books of accounts is pending.

(c) There is no outstanding dues of Income Tax, Sales Tax, Wealth Tax, Service Tax, duty of customs, duty of excise, value added tax, Goods and Service Tax or cess which have not been deposited as on March 31, 2021 on account of any dispute.

(viii) According to the records of the company examined by us and the information and explanation given to us, the Company has defaulted in repayment of loans or borrowings to financial institution and bank as at the balance sheet date. Details of which are as below

Name of the Lender	Amount of default as on March 31, 2021	Default From
State Bank of India (Refer Note No. 27(b) and 28)	Rs. 27,85,69,416/-	Corporate loan from January, 2012 WCTL from April, 2012 and Cash Credit Loan from December, 2011

• The above table does not include the interest which bank has not provided after the account has been classified as Non-performing assets of Rs. 19,04,55,987/- and accordingly aggregate amount of default is Rs 63,17,89,135/- after adjustment of amount received on sale through auction)

(ix) In our opinion, and according to the information and explanation given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments) or term loans and accordingly clause (ix) of paragraph 3 of the Order are not applicable to the company.

(x) According to the information and explanation given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year.

(xi) The Company has not paid or provided for managerial remuneration in the books of accounts during the year under section 197 of the Companies Act, 2013 and accordingly clause (xi) of paragraph 3 of the Order are not applicable to the company.

(xii) As the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it, clause (xii) of paragraph 3 of the Order are not applicable to the company.

(xiii) In our opinion and according to the information and explanation given to us, the company is in compliance with sections 177 and 188 of the Companies Act, 2013. The details of related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(xiv) As informed to us and according to the information and explanation given to us, the Company has made no preferential allotment of shares during the year under review and therefore clause (xiv) of paragraph 3 of the Order are not applicable to the company.

(xv) According to the information and explanations given to us, the Company has not entered in any non-cash transactions with directors or persons connected with them as referred to in section 192 of the Companies Act, 2013 and therefore clause (xv) of paragraph 3 of the Order are not applicable to the company.

(xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934. Accordingly, clause (xvi) of paragraph 3 of the Order is not applicable to the company.

ANEXRURE B TO INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) of Independent Auditor's report of even date to the members of **SHREE RAM ELECTROCAST Limited** on the Ind AS Financial Statements for the year ended March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of the **SHREE RAM ELECTROCAST Limited** ('the Company') as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting are established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

Internal financial control over financial reporting is a process designed by the Company to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Further, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate owing to changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SHREE RAM ELECTRO CAST LIMITED

Cash Flow Statement for the year Ended on 31st March 2021

(Amount in Rupees)

Particulars	Year ended 31-03-2021	Year ended 31-03-2020
A: CASH FLOW FROM OPERATING ACTIVITIES		
Profit Before Tax	(736,916)	(124,277,951)
Adjustments to reconcile profit before tax to net cash flows:		
Loss on Sale of Fixed Assets	-	121,028,523
Finance Cost	61,979	90,714
Operating Profit before working capital changes	(674,937)	(3,158,714)
Working capital adjustments:		
Decrease/(Increase) in Inventories	-	12,532,750
Decrease/(Increase) in Other current assets	-	(15,706)
(Decrease)/Increase in trade payables	(38,474)	5,302
(Decrease)/Increase in current liabilities	991,357	(629,036)
(Decrease)/Increase in Long term Provisions	(354,092)	76,607
Cash generated from operations	(101,346)	8,811,203
Direct taxes paid (net)	730,999	(647,231)
Net Cash (used in) generated from operating activities	629,653	8,163,972
B: CASH FLOW FROM INVESTING ACTIVITIES		
Sales of Fixed Assets	-	109,115,217
Net Cash (used in) generated from investing activities	-	109,115,217
C: CASH FLOW FROM FINANCING ACTIVITIES		
(Repayment)/Receipt of borrowings	-	(118,970,000)
Finance Cost	(61,979)	(90,714)
Net Cash (used in) generated from financing activities	(61,979)	(119,060,714)
Net (Decrease)/ Increase in Cash and Cash Equivalents	567,674	(1,781,525)
Cash and Cash Equivalents at the beginning of the year	1,547,958	3,329,483
	2,115,632	1,547,958

There are no changes in liabilities arising from financing activities arising from non-cash changes between the opening and closing balances of Balance Sheet for liabilities arising from financing activities.

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

1. CORPORATE INFORMATION:

Shree Ram Electro cast Limited (the "Company") is a public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is a subsidiary of Electrotherm (India) Limited. The registered office of the Company is located at A-1, Skylark Apartment, Satellite Road, Satellite, Ahmedabad. The company is engaged in the manufacturing of pig iron and presently the operation of the company is discontinued and all the property, Plant and Equipment and Inventories charged with Bankers have been sold by them.

The financial statements were authorized for issue in accordance with a resolution passed in Board Meeting held on 6th August, 2021.

2. BASIS OF PREPARATION:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which have been measured at fair value. Refer accounting policy regarding financial instruments.

The financial statements are presented in Indian Rupees, except where otherwise indicated.

2.1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. CURRENT VERSUS NON-CURRENT CLASSIFICATION:

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
 - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

The operating cycle is the time between acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve month as its operating cycle.

B. FOREIGN CURRENCIES

The financial statements are presented in rupees, which is also the company's functional currency.

Transactions and Balances

Transactions in foreign currencies are initially recorded in the Company's functional currency at the exchange rates prevailing on the date of transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currency are restated in the functional currency at the exchange rates prevailing on the reporting date of financial statements.

Exchange difference arising on settlement of such transactions and on translation of monetary items is recognised in the statement of profit or loss.

Non-Monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates on the dates of the initial transactions.

C. FAIR VALUE MEASUREMENT:

The Company measures financial instruments, such as, derivatives at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative financial instruments and unquoted financial assets measured at fair value, and for non-recurring fair value measurement.

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets, and significant liabilities, such as contingent consideration. Involvement of external valuers is decided upon annually by the Management after discussion with and approval by the Company's Audit Committee. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

Disclosures for valuation methods, significant accounting judgments, estimates and assumptions, Quantitative disclosures of fair value measurement hierarchy, financial

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

instruments (including those carried at amortized cost) are stated by way of note at the appropriate place of the accounts.

D. PROPERTY, PLANT AND EQUIPMENT (PPE)

(i) PROPERTY, PLANT AND EQUIPMENT (PPE)

PPE and Capital work in progress are stated at cost net of accumulated depreciation and accumulated impairment losses if any. The cost comprises purchase price and borrowing costs if capitalization criteria are met, the cost of replacing part of the PPE and directly attributable cost of bringing the asset to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of PPE are required to be replaced at intervals, the Company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major overhauling is performed, its cost is recognized in the carrying amount of the PPE as a replacement if the recognition criteria are satisfied. Any trade discount and rebates are deducted in arriving at the purchase price

Subsequent expenditure related to an item of PPE is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing PPE, including day-to-day repair and maintenance expenditure and cost of parts replaced, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

CWIP comprises of cost of PPE that are yet not installed and not ready for their intended use at the Balance Sheet date.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if applicable.

The Company calculates depreciation on items of property, plant and equipment on a straight-line basis using the rates arrived at based on the useful lives defined under Schedule II of the Companies Act, 2013.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

E. IMPAIRMENT OF NON-FINANCIAL ASSETS:

The Company assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

F. BORROWING COSTS:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

G. FINANCIAL INSTRUMENTS:

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus in the case of financial assets not recorded at fair value through Statement of Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Debt instruments - measured at amortized cost
- Debt instruments, derivatives and equity instruments - measured at fair value through Profit or Loss (FVTPL)
- Equity instruments-measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED

For the year ended 31st March, 2021

and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss. This category generally applies to trade, loans and other receivables.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization at amortized cost or as FVTOCI, is classified as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the other comprehensive income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED

For the year ended 31st March, 2021

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

b) Financial guarantee contracts which are not measured at FVTPL.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables. Under the simplified approach the Company does not track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive, discounted at the original EIR. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' in the Statement of Profit and Loss.

The Balance Sheet presentation for various financial instruments is described below:

Financial assets measured at amortized cost:

ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through Statement of Profit and Loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED

For the year ended 31st March, 2021

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities valued at fair value through Statement of Profit and Loss.

Financial liabilities at fair value through Profit or Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition at fair value through Profit or Loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through statement of Profit and Loss are designated as such at the initial date of recognition and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the Statement of Profit and Loss. The Company has not designated any financial liability at FVTPL.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED

For the year ended 31st March, 2021

assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

Offsetting of financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realize the assets and settle the liabilities simultaneously.

H. REVENUE FROM CONTRACT WITH CUSTOMER

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

Goods and Service tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue. The specific recognition criteria described below must also be met before revenue, is recognised

Sale of Goods:

Revenue is recognised when a promise in a customer contract (performance obligation) has been satisfied by transferring control over the promised goods to the customer. Control over a promised good refers to the ability to direct the use of, and obtain substantially all of the remaining benefits from, those goods. Control is usually transferred upon shipment, delivery to, upon receipt of goods by the customer, in, accordance with the delivery and acceptance terms agreed with the customers. The amount of revenue to be recognised (transaction price) is based on the consideration expected to be received in exchange for goods, excluding amounts collected on behalf of third parties such as sales tax or other taxes directly linked to sales. If a contract contains more than one performance obligation, the transaction price is allocated to each performance obligation based on their relative stand-alone selling prices. Revenue from product sales are recorded net of allowances for estimated rebates, cash discounts and estimates of product returns, all of which are established at the time of sale. The consideration received by the Company in exchange for its goods may be fixed or variable. Variable consideration is only recognised when it is considered highly probable that a significant revenue reversal will not occur once the underlying uncertainty related to variable consideration is subsequently resolved.

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

Sales Return Allowances:

The Company accounts for sales return by recording an allowance for sales return concurrent with the recognition of revenue at the time of a product sale. The allowance is based on Company's estimate, of expected sales returns. The estimate of sales return is determined primarily by the Company's historical experience in the markets in which the Company operates.

Dividends:

Dividend is recognised when the Company's right to receive the payment is established, which is general'ly when shareholders approve the dividend.

Interest income and expense:

Interest income or expense is recognized using the effective interest method.

Contract balance

Contract assets:

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to the customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration t.hat is conditional.

Trade Receivable:

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e. only the passage of time is required before payment of the consideration is due).

Contract liabilities:

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Refund liabilities:

A refund liability is the obligation to refund some or all of the consideration received (or receivable) from the customer and is measured at the amount the Company ultimately expects it will have to return to the customer. The Company updates its estimates of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

I. RETIREMENT AND OTHER EMPLOYEE BENEFITS:

Retirement benefits in the form of provident fund and superannuation fund are defined contribution plans. The Company has no obligation, other than the contributions payable to provident fund and superannuation fund. The Company recognizes contribution payable to these funds as an expense, when an employee renders the related service.

In respect of provision for employee's benefits are provided on the basis of estimation made by the management.

In respect of gratuity liability, the Company does not have any employee, who has completed 5 years of services during the year and therefore no provision for gratuity and other post benefit plans have been provided.

J. TAXES

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (i.e. in other comprehensive income). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable Profit or Loss.
- In respect of taxable temporary differences associated with investments in subsidiaries when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized except

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

- When the deferred tax asset arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and at the time of the transaction affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries deferred tax assets are recognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled; based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

K. INVENTORIES:

Inventories are valued at the lower of cost and net realisable value after providing for obsolescence and other losses, wherever considered necessary. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Scrap is valued at net realisable value. Cost is determined on a FIFO (First in First Out).

Cost includes direct materials and labour, and a proportion of manufacturing overheads based on normal operating capacity, incurred in bringing them in their respective present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business less estimated cost of completion and the estimated costs necessary to make the sale.

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

L. RETIREMENT AND OTHER EMPLOYEE BENEFITS:

Retirement benefits in the form of provident fund and superannuation fund are defined contribution plans. The Company recognises contribution payable to these funds as an expense, when an employee renders the related service.

In respect of provision for employees benefits are provided on the basis of estimation made by the management.

M. CONTINGENT LIABILITIES:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements if any.

N. PROVISIONS:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

O. EARNING PER SHARE:

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

P. CASH AND CASH EQUIVALENT:

Cash and cash equivalents in the Balance Sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of charges in value.

Notes to Financial Statements of SHREE RAM ELECTROCAST LIMITED
For the year ended 31st March, 2021

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.2 SIGNIFICANT ACCOUNTING ESTIMATES AND ASSUMPTIONS:

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(a) Fair value measurement for financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

20 Earning per shares

Particulars		Current Year	Previous Year
Profit/(Loss) as per statement of profit and loss account (After prior period adjustment)	Rupees	(736,916)	(124,277,951)
Weighted average number of Equity shares (Basic)	Nos	818,950	818,950
Earning per shares (Basic & Diluted)	Rupees	(0.90)	(151.75)

Nominal Value of shares	Rupees	100	100
Basic EPS amounts are calculated by dividing the profit / (loss) for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.			
For the purpose calculating diluted earnings per share, the net profit or losses for the year attributable to the equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares unless the effect of the potential dilutive equity shares is anti-dilutive.			

21 **Contingent liability in Respect of :-**

(As Certified by the Management)

B **Holding Company**

Electrotherm (India) Limited

Transactions carried out with related parties referred to in (B) above, in ordinary course of business

Nature of Transaction	Enterprises described in (B) above
Repayment / Adjustment of Advance	200,000 (96,724,265)
Receipt of Advance / Payment to meet the liability	1,165,994 (96,079,451)
Outstanding Loan Payable	17,821,688 (16,855,694)

Note: Figures in brackets represent previous year amount.

Term and Conditions of transaction with related parties

Outstanding balances at the year end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables.

23 **Going Concern**

The company has discontinued its operation since April 2011 because of the non-availability of Iron Ores due to limited banned by the Hon'ble Supreme Court's order in the state of the Karnataka and further the State Bank of India has taken action under SARFAESI Act, 2002 and subsequent action of the sale through auction of the hypothecated / mortgaged assets of the Company situated at Honnarhalli Village, Hatchali Post, Siruguppa Taluk, Bellary District, Karnataka was taken place for Rs. 11.97 Crore and its formalities have been completed upto 16th April 2019. Further, the Company has accumulated losses and its net worth has been fully eroded, the Company has incurred a net loss/net cash loss during the current and previous year(s) and, the Company's current liabilities exceeded its current assets as at the balance sheet date & 100% of its charged Assets have been sold through auction by the bankers. These conditions, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

24 **Segment Information:**

The Company is engaged in the business of steel products and all other activities of the company revolve around the main business and they are not substantially different in risk and return as well as in view of the non operation of the factory, reporting in pursuance to IND AS 108 "Operating Segments" has not been provided.

25 The Company has acquired Land at Halekote-25 Village, Siruguppa Hobli or Firka, Siruguppa Taluka, District Bellary and Honnarahalli Village, Hactholli Hobli, Siruguppa Taluka, Bellary District and its Legal Document for transfer of the property in the name of the Company is in process.

26 The company is in process to fill the post of Company Secretary.

- 27 (a) The account of the other financial assets, other current assets, borrowings, trade payable, other financial liabilities, advances for capital goods, Income Tax Receivables and some of the Bank Balance and are subject to confirmations from the respective parties for its recovery/payments and further these balances are subject to clearances of the cheques/negotiable instruments. Some of such accounts are very old. The classification/grouping of items of the accounts are made by the management on the basis of the available data with the company and which has been relied upon by the auditors.

(b) The State Bank of India has sold Property, Plant and Equipment and Inventories through auction which were hypothecated / mortgaged with the bank against the loan taken from situated at Honnarhalli Village, Hatchali Post, Siruguppa Taluk, Bellari District, Karnataka in February 2019 for Rs. 11,97,00,000. The sale consideration received by the State Bank of India, have been adjusted against the outstanding loan amount of the State Bank of India. Total		-	278,627,731	278,627,731	-	278,666,205	278,666,205

30.2 Category-wise Classification of Financial Instruments:

(a) Quantitative disclosures fair value measurement hierarchy for financial assets and financial liabilities

The company has not valued any assets and liabilities at the fair values.

(b) Financial Instrument measured at Amortized Cost

The carrying amount of financial assets and financial liabilities measured at amortized cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

31 Financial instruments risk management objectives and policies

The Company's principal financial liabilities, other than derivatives, comprise borrowings and trade payables. The Company's principal financial assets include Investments, loans given, trade and other receivables and cash and bank balance that derive directly from its operations.

The Company's risk management is carried out by the corporate finance under policies approved by the Board of directors. The Board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Since the Company is not operational, it is not exposed to significant market risk.

(b) Credit Risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities mainly balance with banks. Credit risk arising balances with banks is limited and there is no collateral held against these because the counterparties are banks with high credit ratings assigned by the international credit rating agencies.

(c) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:
